Brandal Jackson, Chief of Police

July 7, 2020

PUBLIC NOTICE

On Thursday July 2, 2020, Gov. Greg Abbott issued a statewide order that requires Texans to wear face coverings in public spaces due to a spike in COVID-19 cases. The City of Brookshire City Council also reinforced that order by requiring anyone inside of city offices or businesses within the City of Brookshire to wear face coverings. There has been a significant increase in positive Covid-19 cases inside of the city and we are strongly urging each citizen to cooperate and to do your part to help control the spike in cases that we are experiencing. We are encouraging all businesses to enforce the face covering order and to turn away anyone that doesn't comply with the order. The Brookshire Police Department will also assist businesses with providing face coverings to those citizens that don't have them as those supplies are available. The next available testing site will be at the Pattison Fire Department on July 23, 2020 from 9am-6pm. The testing is free of charge and we will post the registration information as soon as it becomes available to us. Please stay safe and help us to help our community by following those guidelines that were put into place for each of our safety.
