Brandal Jackson, Chief of Police

Although National Night Out 2020 won't be like it has been in previous years. We hope to keep the spirit alive and growing within our very own community. This year on Tuesday October 6, 2020 we will be partnering again with our local United Way to hold a drive through food drive at the Brookshire Police Department. We will also provide free food and drinks to our community as we have each year since we've held this event. It's imperative that we continue to give back to the community that we serve and continue to build positive relationships within our communities between our community members and the police. We hope to see each of you Tuesday October 6, 2020 from 6p-9p.
